

Dear Fencers,

I hope you had great and long holidays,

It's time to return back to fencing and I wish to see you all very soon, Attached all the necessary documents for the year

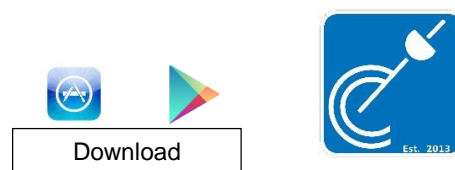

### What's new in the Fencing Academy ?

#### A new registration platform and mobile app

We remain partners with Evo Sports for various activities and training centers. However, to streamline the registration process and better align it with our fencing programs, we are launching a new platform along with a new "Clement Sports" Mobile App.

You will receive a welcome email on Monday with your username and password to log in to the platform. You can also download the Clement Sports mobile app now.

Please update your information. Family links (e.g., siblings or parent/child) should already be set up, but it's good to double-check.

You can book your programs with a term-by-term or annual (discounted) registration. Please note that reservations through the platform or app require payment by card. You can also register directly at the center, where there will be an administrative desk.

We apologize in advance for any inconveniences that may arise during the setup of this new platform. We promise to improve over time.

**Important:** You can select age-appropriate classes regardless of location. Note that you must choose one Learning Class (Sunday to Wednesday) and one Match Class (Thursday to Saturday). Otherwise, your booking will be rejected.

#### A new website design : Clement Sports.com

Clement Sports will consolidate all its activities under a single website: [www.ClementSports.com](http://www.ClementSports.com). This website will also serve as the gateway for booking and online payments.

#### A new communication system :

- Follow us on Social Medias: Facebook & Instagram - Last year, we began enhancing our Social Media communication, and this year, it will be even better. Our social media platforms will consolidate all information, including images and competition results. We are also working on launching a YouTube channel

<https://www.facebook.com/ClementSports>  
<https://www.instagram.com/clementsports>  
<https://www.youtube.com/@clementsports4662>

- **“Clement Sports” Mobile App** – notification system : The app will enable us to maintain closer contact with you, providing timely updates on important information and events related to the fencing academy's organization. Please allow notification on app set up.
- **WhatsApp groups** : As with last year, all members within the same age group in fencing will be included in the same WhatsApp group. This ensures secure communication and provides a platform for parents to address any needs or questions they may have, such as carpooling, lost items, or information requests.

**Parents of fencers will receive almost a 50% discount on their flexibility pack 12 classes :**

In line with our commitment to promoting family sports and strengthening the bonds between generations, we have decided to offer fencing classes at a very low cost to the parents of our academy's enrolled fencers.

**More of our fencers have qualified for their National Teams.**

We now have eight athletes competing at the international level.

**Parent Team Competition and the Teenager team Competition** will continue this year due to last year's great success.

We sincerely thank you for your loyalty and trust in our programs.

See you all very soon, at your disposal,

Best and sport regards,
